To whom it may concern:

I have had the pleasure to work with Mr. Martin Modl as a programmer for ASKO Nabytek spol. s r.o.. Mr. Modl consistently meets and often exceeds my expectations and requirements.

Mr. Modl is an enthusiastic, dedicated programmer with reliable work habits. He does not need guidance or supervision, but willingly accepts it when offered. He is consistently successful in improving his skills, and he works hard to do so.

Mr. Modl gets the job done right the first time. He is efficient in planning projects, punctual in meeting deadlines, and conscientiously adheres to company standards and guidelines.

You would have a hard time finding an employee as flexible and dedicated as Mr. Modl, and I would highly recommend him as a solid addition to your programming staff. If you would like more information, I would be happy to provide it. Please call the phone number above and ask for my by name.

Umit USTA
Special Projects Manager
